

Waiokeola Congregational Church
Weekly Announcement - April 19, 2020

Scripture reference for this week's sermon - Acts 12:1-17

1. Praise the Lord for He is good, His love endures forever. Our church applied for the Federal Government's Payroll Protection Plan Loan several weeks ago and recently received confirmation that our application has been approved. This loan provides the necessary funds to operate our Church and Preschool for 8 weeks.
 - Thank you Gayle Lindo, Kathy Moore, Karen Sur, Joy Yoshimura and the rest of our Council for doing your part in helping us secure this vital loan.
 - For more information of how this loan will help us, feel free to contact me or one of our Council members.

2. Prayers, Joys & Concerns are available to view on the attached pdf.
 - Praise the Lord, Judy Asman informed us that her brother Bill Sharer has recovered from his ailment.
 - While we are separated by the Coronavirus, we can be unified in prayer. Please set an alarm on your phone or clock to pray for our Government & church leaders, for our country, for the sick and broken -hearted. One minute of prayer at 1 pm every day is a simple but powerful way to make a difference.

3. Music song sheets are available for download on the attached pdf in our News & Announcements section.
